

Hi All,

The following information is what will need to be done from all members.

There is a Confidential Agreement (CA) that will be needed by all members to sign two copies and send them to me and I will forward to the team.

There will be supported documents needed with the CA.

Minors also need to have it filled out but parents or legal guardians can sign for them.

Once I receive your CA and supporting Documents, I will forward to the Team.

From there, they will send you their signed copy and other information.

Some of this information will be to access a new site. From this site, all program info including updates will be posted there.

You will have a user name and password to access.

You will not be ALLOWED under the CA to share info on that site with anyone that did not do a CA.

Anyone found to do so will be removed and lose everything regarding the program.

Access to the new site will record your IP and also your Computer hardware ID. Once you have registered signed on to the site from your computer, you will not be able to access the site from any other computer. Security and Privacy is going to be the NUMBER 1 ISSUE from here on. In other words, you can not access the site from any other computer than the one you first used to access the site. This will prevent people from sharing their access codes.

Anyone NOT wanting to do the CA will not be able to continue with the program. Anyone that has decided to not go ahead, will be refunded any fees that they have paid in the past but that will be AFTER everyone has been paid.

Refunds that will be given to members that wish to not continue are as follows:

- i. Original Joining Fees
- ii. Key Apps Fees
- iii. All Debit Card Fees and Deposits (First card issued to members included)
- iv. Club App Fees
- v. Foundation Fees ( Foundations already created, refunds will still be issued)
- vi. Foundation Shipping Fees
- vii. All PLA Loans to Mike

There is no need to request for refunds as if you do not wish to send in your CA with the supporting documents by the required date, you will have been removed from the program and placed into a non active status and a refund will be made for you.

You may be required to provide Supporting documents of payments made to the program. This will may be required for payments made before 2002 only as everything after 2002 is recorded in accounting ledgers.

All the above will be refunded to members if and only if they choose to leave the program and refunds will be made to them after all members have been paid out.

ANY MEMBER NOT CONTINUING, Referral commissions WILL NOT BE PAID.

Any funds that you may possible get from the program will be loss to you if you do not go ahead....

No EXCEPTIONS on this rule.

Now, with the CA and supported documents being sent to me, there will be a \$25 fee for each person.

The reasons for this are.

1. I have to do a lot of work regarding this.
2. Everything is sent to my processing center in Singapore to be processed. They need to be paid for the work they do.
3. I will need to pay others to help in other areas
4. Singapore need to forward all documents to me so that I can check to make sure that all is in order.
5. I have to forward all CA and supporting documents to the Team and that will cost money.
6. The team will need to send out documents back to you and that also costs money.
7. The Team also needs to pay people to do this.

If you do not wish to pay the \$25, that is fine. Please DO NOT send your CA. By not sending your CA with Supporting Documents and the fees, you choose to not continue in the program. Automatically, you will be placed into a non active database for a full refund of any fees you have paid.

There is ONLY one Exception for this Rule and that is for the kids that are in Orphanages. This is explained on the PDF files below.

There are two files.

Both files are the same except for the paper size. One is 8.5 by 11 for Canada and US. A4 for the rest of the world.

Please get the CA you need to print and Please follow the Instructions to the Letter to avoid any mishaps.

This is the FINAL email to this list from me.

Any and all following information will be on the new site and you will get that on the return documents from the Team by post.

Please do not delay to do this as the time is short.

The time limit is June 15th, 2009 and mentioned on the PDF form below.

You can expect a reply from the Team 2 to 4 weeks after they have received your CA. You can expect them to receive the CA from me 1 to 2 weeks after I have received them. There may be an email sent to you from the Team that you are getting your Documents sent but I can not be sure if that will happen.

Once this is done, then you will have access by email and post to the Team upon receipt of your Docs from them.

This contact info will be so that they can communicate with you not you with them with questions that you have been emailing us all the time about.

Anyone abusing this contact info may be barred from the program so please use this info with wisdom.

Thanks

MIKE
